

NAEC Members Save with UPS

UPS® provides the
reliability you expect.
Guaranteed.

When it comes to your business shipments, you don't want any delays or surprises — everything should be delivered on time, every time. UPS understands that shipping is a key part of your business, and we're here to provide the reliability you expect.

The National Association of Elevator Contractors and UPS Freight® are working together to bring discounted LTL freight to all members. This is achieved by the NAEC/UPS Savings Program. The program grants members savings, and supports the NAEC.

We're committed to making the entire shipping process as seamless as possible. Contact the UPS Freight Association team today to get started!

Shipping Discounts

The NAEC/UPS Savings Program gives members access to special savings on these UPS services:

- Less-than-truckload (LTL)
- Trade show services
- Cross-border shipping to-and-from Canada and Mexico
