Delivery Methods:

- Seminar/Classroom:
- Text Based: Courses that are completed by reading or studying a book. Text based courses have an exam, which may be online, to validate student participation.
- Web/Computer Based: Courses that are delivered online or via CD ROM. Web/Computer based courses have an exam, which may be online, to validate student participation.
- Article Based: Publication must have ISSN number. Contact NAEC for criteria details.

Course Instructors must be qualified industry experts who helped develop the course or a professional-level content expert.

Instructional Contact Hours

- Seminar/Classroom: Contact hours which are simply clock hours (60 minutes = 1 hour; 45 min = .75 hr; 30 min = .50 hr; 15 min = .25 hr). The contact hours shall be pure instructional time and may not include coffee breaks, breaks, lunch or mealtime, social gatherings or other non-instructional activities. Also, the smallest unit of clock hours accepted is 15-minute increments (e.g., a course lasting 5 hrs and 40 min would provide a total contact time of 5.5 hrs; a course lasting 5 hrs and 10 min would provide a total contact time of 5 hrs).
- Text Based: If the course is to be offered via distance learning or other independent study formats, then the provider must document instructional contact hours via the *Continuing Education Contact Time Analysis* form available from the NAEC. As a minimum, the *Continuing Education Time Analysis* form must be completed for at least four learners. The completed *Continuing Education Time Analysis* forms shall be submitted to the NAEC along with the application package. The Education Committee will assign contact hours based on the time analysis data provided.
- Web/Computer Based: Contact hours are determined via the time analysis method described above. The completed *Continuing Education Time Analysis* forms shall be submitted to the NAEC along with the application package.
- Article Based: Contact hours are determined by word counts. Contact NAEC for details

Certificate of Completion/Attendance: A Certificate of Completion or Attendance must be provided to each participant. The certificate must contain the following information:

- Course title exactly as submitted on application
- Course completion date
- Participants full name
- Number of approved instructional contact hours earned
- Signature of course instructor or representative of sponsoring organization.

Continuing Education Provider:

- Must have an identifiable continuing education or training unit or group with assigned responsibility for administering continuing education and/or training events.
- Must maintain a complete, permanent (at least 7 years) record of each learner's participation and can provide a copy of that record upon request
- Must provide a learning environment and support services, appropriate to the continuing education or training goals and learning outcomes identified.
- Must have clear and concise written statements of intended learning outcomes.
- Must provide content and instructional methods appropriate for the identified learning outcomes.
- Must establish procedures that assess achievement of the learning outcomes.

I certify that I understand and agree that in consideration of our providing continuing education courses and programs to be approved for credit for the NAEC CET™/CAT™ certification renewal, my organization will never institute any suit, action at law or equity, or make any claim against the NAEC, NAEC employees, NAEC members, nor any members that assisted with the development, presentation, or implementation of the *CET™/CAT™* program, nor any of their officers, employees, or agents for or by reason due to damage, loss, or injury either to person or property, or both, whether developed or undeveloped, resulting or to result, known or unknown which may arise out of participation in the NAEC *CET™/CAT™* program.

Furthermore, I understand and agree that our organization will indemnify and hold harmless the NAEC, NAEC employees, NAEC members, my employer, any and all present and future employers participating in the *CET™/CAT™* program, and any and all vendors that assisted with the development, presentation, or implementation of the *CET™/CAT™* program against any claim for damages, compensation or other relief made by any person based upon or arising out of, in whole or part, my organization's participation in the *CET™/CAT™* program.

Also, I understand that NAEC may revoke my organization's eligibility to provide continuing education courses and programs without cause provided that a 60-day written notice is provided to my organization's contact name on this application.

Additionally, my organization will notify the NAEC Program Administrator within 30 days of any change in the legal status of our organization and/ or change in continuing education administrator. Also our organization agrees to provide course evaluation data or statistics for the approved course upon request of the NAEC Program Administrator.

Furthermore, my organization agrees to provide the continuing education courses and programs in accordance with the criteria put forth by the International Association for Continuing Education and Training (IACET). These criteria are as follows:

Criterion 1 -- Organization: The provider must have an identifiable continuing education or training unit or group with assigned responsibility for administering continuing education and/or training events.

Criterion 2 -- Responsibility and Control: The provider, through its continuing education or training unit, ensures that the criteria are followed.

Criterion 3 -- System for Awarding the CEU [Note: The NAEC CET™/CAT™ program does not use conversion to the CEU or the CEU designation. Instead, straight contact hours of instruction are to be used where 60 minutes of time equals 1 hour. Coffee breaks, lunch breaks, and other non-education or training activities may not be included in the contact hour calculation.]

The provider has a system in place to identify learners who meet requirements for satisfactory completion. The provider maintains a complete, permanent (at least 7 years) record of each learner's participation and can provide a copy of that record upon request.

Criterion 4 -- Learning Environmental and Support Systems: A learning environment and support services, appropriate to the continuing education or training goals and learning outcomes, are provided.

Criterion 5 -- Needs Identification: Each learning event is planned in response to the identified needs of a target audience.

Criterion 6 -- Learning Outcomes: The provider has clear and concise written statements of intended learning outcomes (e.g., behavioral or performance objectives) based on identified needs for each continuing education and training event.

Criterion 7 -- Planning and Instructional Personnel: Qualified personnel are involved in planning and conducting each learning event.

Criterion 8 -- Content and Instructional Methods: Content and instructional methods are appropriate for the learning outcomes of each event.

Criterion 9 -- Assessment of Learning Outcomes: Procedures established during event planning are used to assess achievement of the learning outcomes.

Criterion 10 -- Post-Event Evaluation: Each learning event is evaluated.
